## Consent form for using images of Children

Name of Child .....

Occasionally, we may take photographs of the children at our school. We may use these images in our schools prospectus or in other printed publications that we produce as well as our website. We may also make video recordings for educational use.

From time to time, our school may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and return the completed form to the school.
