and Paralympic Values

## Toll Bar Primary School Parental Questionnaire on reducing the speed limit outside schools to 20mph.

<p>100% of parents consulted thought speed limit around schools should be decreased</p>	<ul style="list-style-type: none"> <li>• Safety</li> <li>• Stop people driving too fast</li> <li>• Care of the children</li> <li>• Safety of children and families</li> <li>• Cars come too fast on the A19</li> <li>• Lots of small children run out of the school gates</li> <li>• 30mph too fast too close to school</li> <li>• Children are about</li> <li>• Dangerous drivers</li> <li>• Decrease risks of accidents</li> <li>• Small children crossing a busy road , need to keep them safe is a priority</li> </ul>
<p>92% of parents think that having a Crossing Warden, as well as the traffic crossing is essential for school pupils safety</p>	<ul style="list-style-type: none"> <li>• Helps keep children safe</li> <li>• Children look to her to get to school safely</li> <li>• Crosses people safely</li> <li>• Brilliant for children's safety in crossing the road</li> <li>• Children are about</li> <li>• She has been there for years to help with safety</li> <li>• Safer for children</li> <li>• I feel better knowing the children are safe crossing the road as some cars still go through on red.</li> <li>• Cars notice her more with visible clothing.</li> <li>• Thelma our Crossing Warden is the life and soul to the school and the children.</li> <li>• She can make sure the children cross safely.</li> <li>• Helps the children cross.</li> <li>• Because we have young children.</li> <li>• Keep your children safe.</li> </ul>

## Feedback from Toll Bar Primary School Pupils regarding the reduction of speed limits outside school's to 20mph.

<p>100% of the Pupils at Toll Bar Primary School think that a 20mph outside school is an excellent idea.</p>	<ul style="list-style-type: none"> <li>• Serious incidents happen and children get hit by speeding cars.</li> <li>• Dangerous car driving, it might make drivers more safe.</li> <li>• Less noise from engines for pedestrians and less scary for children.</li> <li>• Scared of other accidents happening.</li> <li>• Safer for cyclists – we can come to school on our bikes.</li> <li>• 20mph is good because the drivers are safer and easier to stop.</li> <li>• If going slower less pollution.</li> <li>• Waste of petrol going faster</li> <li>• Can see cars easier coming in the opposite direction.</li> <li>• If slower easier for Lollipop Lady.</li> <li>• Cars need to go slow</li> <li>• Better for people in cars as well as people walking.</li> <li>• Put in speed bumps</li> <li>• People can breathe easier, less pollution</li> <li>• Might encourage people to slow down at other times.</li> <li>• Children play near roads.</li> <li>• Put cameras and speed bumps in place as well.</li> <li>• Could have reduced speed times at certain times of day.</li> <li>• Drivers don't need to brake as easily.</li> <li>• If you did get knocked down your injuries wouldn't be as serious if there was an accident.</li> <li>• The cars would be able to see people crossing earlier if not going as fast.</li> <li>• You can brake easier</li> <li>• If the speed stays the same the injuries will be more serious.</li> <li>• You won't be able to stop in time at 30mph</li> </ul>
